DAILY REPORT - TUESDAY 3 JULY 1951

ECFTEND

1. A report from [ ] liaison officer with NCFA in Rome, states that efforts to arrange a meeting between Abas Kupi, a Legalitet leader on the Executive Committee, and Nik Sokoli, Vice-President of the Yugoslav-sponsored League of Albanian Refugees, have failed to date.
2. [ ] summary of the situation reveals that Kupi's reluctance to push the matter has arisen from our position that the US interest in the NCFA cannot be revealed to the Yugoslav-sponsored group. Kupi believes our failure to back the NCFA openly in arranging and conducting this meeting is an indication that the US may have some direct interest in the League of Albanian Refugees.
